

We are thrilled to have you as part of our big dance family! The concert is one of the most exciting times of the year for all of us. It's a chance to shine, share the joy of dance, and most importantly, have fun on stage. This is not a competition—it's all about enjoying the moment, expressing yourself, and celebrating your love for dance with friends and family.

Each year, our dancers have the opportunity to perform routines on stage at our Annual Concert. It is an excellent opportunity for our students to show everything they have learnt throughout the year, have lots of fun with their friends and it creates beautiful memories for our families.

Our Concert is not compulsory, but we highly recommend it to all of our beautiful students as it is a fabulous way for them to gain confidence and experience the magic of performing on stage!

We are proud to be Telethon Community Partner and through our concerts, we raise funds for Telethon.

This concert is a massive group effort, and the best part? We do this for charity, making it all the more special. While the focus is on having fun, it's essential to stay on top of all the details so we can create an unforgettable experience for everyone. Please carefully read through the attached document for important information on costumes, rehearsal dates, and concert commitments.

Your participation and attention to these details will help ensure our event runs smoothly and achieves its goal of supporting a meaningful cause. We appreciate your dedication—let's work together to make this concert a success for everyone involved!

We can't wait to see you on stage, ready to dazzle and dance your heart out!
